The Scoop Newspaper: OUR FAB FIVE
By Rick Bates

Local band My Own Medicine offers fresh doses of energy and fun. Their musical range covers rock and pop songs from the '70s to now. This summer the group has performed at many area events, including street fests, picnics, and parties. Recently, My Own Medicine played on opening night of the St. Charles County Fair. That evening their set included crisp renditions of tunes by Led Zeppelin, Kiss, and Katy Perry, among other artists.

This vibrant band consists of 5 talented musicians. Tom and Shannon Daoukas play lead and rhythm guitars with sensational chords; Steve Hosack thunders on the drums. Bassist John Schindler lays down a pounding beat, while vocalist Kristen Hanff Postle sings out with her heart and soul. Their energetic concerts keep the crowds cheering and dancing.
